

Hold the harmonica in your hand as in the photo with the lower sounding notes on your left. Lick your lips, relax your shoulders/face and try playing *Oh Susannah!* by matching the note letters below the words with the note letters on the harmonica. Each of the 10 holes plays two notes: up arrows indicate blowing into the hole (exhale) and down arrows indicate drawing (inhale) from the hole. Begin by blowing into the fourth hole from the left. You can also check on-line for "free harmonica lessons."

Oh Susannah!
