

Woodstock Chimes[®] Commemorates the 15th Anniversary of the Amazing Grace Chime[™] with New Color
Now Available with Bronze Tubes in Large, Medium and Small Sizes

SHOKAN, N.Y., October 4, 2018 – In 2003, [Woodstock Chimes](#), the leading manufacturer of musically tuned windchimes, launched the first [Amazing Grace Chime[™]](#), tuned to the opening notes of America's favorite hymn, "Amazing Grace." An immediate hit with customers, the chime has become a perennial favorite and is now available in several sizes and styles. To commemorate the 15th anniversary of this best seller, a mid-season launch of the chime with its six aluminum tubes in the wildly popular bronze color has been announced.

"Both retailers and consumers frequently tell us how much they like the [Amazing Grace Chime](#) and are comforted and uplifted by the beautiful sound. The pure tuning of Woodstock Chimes and the hymn's universal popularity have combined to make the chime one of the most successful we've ever created," said Garry Kvistad, founder and owner of Woodstock Chimes and a GRAMMY[®] Award-winning musician. "Woodstock Chimes leads the industry in offering the most musical gifts—for all ages—of any windchime company, with year-round sell-through and a wide variety of chime tunings, styles and price points. We look forward to the new Amazing Grace Chimes with bronze tubes quickly becoming best sellers as well, especially as we approach the holiday season."

Featuring cherry finish ash wood, the stunning chimes with bronze tubes have removable windcatchers, just like the silver version, which makes it easy for customers to take the windcatcher to a local customization shop to have a personal message engraved or silk-screened. Available for immediate shipping so they can be on store shelves in time for the holiday shopping, the [Amazing Grace Chimes](#) in bronze are offered in the three most popular sizes of the current silver chimes (shown left to right):

[Amazing Grace Chime – Large, Bronze](#) (AGLBR): 40 inches in overall length,

MSRP: \$60 (*Silver version [AGLS](#)*)

[Amazing Grace Chime – Medium, Bronze](#) (AGMBR): 24 inches in overall length,

MSRP: \$42 (*Silver version [AGMS](#)*)

[Amazing Grace Chime – Small, Bronze](#) (AGSBR): 16 inches in overall length,
