Woodstock Chimes® Launches New Woodstock Zenergy Chime™ with Amazing Grace Tuning
Combines best-selling series with company’s most popular windchime tuning

SHOKAN, N.Y., January 8, 2019 –Woodstock Chimes, the leading manufacturer of musically tuned windchimes, is expanding its best-selling, playable Woodstock Zenergy Chime line with the launch of a model that is tuned to notes from “Amazing Grace,” one of America’s favorite hymns and the company’s most popular windchime tuning. The Woodstock Zenergy Chime – Amazing Grace features six silver solid rods that rest in a beautiful cherry finish ash wood base and includes a mallet and song sheet with playing instructions. It is one of over 30 new products the company is launching at the 2019 winter gift shows in Atlanta, Dallas and Las Vegas.

“Undoubtedly, the robust return on investment our Zenergy Chimes offer relates to their breadth of uses,” said Garry Kvistad, founder and owner of Woodstock Chimes and a GRAMMY® Award-winning musician. “The portability has long made them popular for meditation practice, calling meetings to order and memorial and religious services, to name a few. Zenergy rods emit a powerful and long-lasting tone of singular beauty. Adding the instantly recognizable “Amazing Grace” tuning is a natural fit, and customers will find it easy to play that beloved hymn as well as other favorites.”

The new Woodstock Zenergy Chime – Amazing Grace [SKU ZENERGY6] measures 1.3 inches high by 5.5 inches wide by 7 inches deep. Available for immediate shipping, it retails for \$45 and comes ready to give in a gift box.
