Illumination Solar Chime™ Shines Bright as Latest Woodstock Chimes® Launch
Beautiful by day and magical by night; solar-powered light illuminates as the sun sets

SHOKAN, N.Y., February 6, 2019 –[Woodstock Chimes](http://WoodstockChimes.com), the leading manufacturer of musically tuned windchimes, has launched a new [Illumination Solar Chime](#). It features 20 silver solid rods around a silver-accented solar-powered light that rests within a beveled, teak finish ash wood top piece. As the sun sets, the solar-powered light illuminates and the chime becomes a captivating home, lawn and garden accent piece.

“We hope the new [Illumination Solar Chime](#) will brighten our customers’ lives and lead to shining sales for our retailers,” said [Garry Kvistad](#), founder and owner of [Woodstock Chimes](#) and a GRAMMY® Award-winning musician. “As we say, it’s beautiful by day and magical by night. The solar-powered light adds enchantment to any outdoor living area as the light reflects off the lustrous silver rods. The combination of a chime powered by the wind and a light powered by the sun has proven to be popular with our customers, and we expect this to be in as much demand as the other three currently in our line.”

The new [Illumination Solar Chime](#) (SKU: ISC) measures 16 inches in overall length and 6 inches in diameter. The hangtag explains the solar-powered light feature to customers. Available for immediate shipping, it comes ready to give in a gift box and retails for \$60.

Other [Woodstock Chimes](#) with solar-powered lights are:
